The Energy Freedom Coalition of America, LLC (“EFCA”), through its undersigned counsel, hereby moves the North Carolina Utilities Commission (“Commission”) for leave to withdraw as a party in the above-referenced proceeding. EFCA appreciates the opportunity to participate and the Commission’s consideration of its briefing, but wishes to inform the Commission that it has no further intent to participate in this proceeding and requests leave to withdraw as a party. EFCA has been informed by undersigned counsel that he has accepted new employment and will be leaving the law firm of Keyes & Fox LLP after December 8th. Undersigned counsel will be making separate motions to withdraw from all Commission proceedings where he is counsel of record by that date. Since EFCA has no desire to continue participation in this proceeding and does not wish to hire substitute counsel, we respectfully request that the Commission grant this motion to withdraw before December 8th, 2017 to obviate the need for additional filings or substitute counsel.
