Ms. Brown

Thank you for your email concerning the request by Carolina Water Service, Inc. of North Carolina (Company) to acquire the franchise for providing water and sewer utility service in Silverton Subdivision. A copy of your message and this response will be given to the Chief Clerk of the Commission for inclusion in the official file.

The Public Staff is responsible for representing the interests of the using and consuming public in utility matters, and we will participate on the public's behalf in this case. We will give consideration to your comments as we conduct our investigation.

Thank you for your interest in this matter.

Gina Casselberry

RE: Silverton Subdivision – Docket # W-354, SUB 361 and Docket #W1046 SUB 5

Mr. David Drooz, Chief Counsel, Public Staff
4326 Mail Service Center
Raleigh, NC 27699-4300

Dear Mr. Drooz:

I would adamantly like to oppose the application by Carolina Water Service Inc. seeking authority to acquire the franchise for providing water and sewer utility service in Silverton Subdivision in Cabarrus County from Pace Utilities Group Inc. and increase rates.

We as residents of Silverton Subdivision have been having issues with the low water pressure, poor drinking water quality, and colored water for years. If the application is approved, increase for the sewer will be 27% and water will be another 139% on a monthly basis. I am retired single woman on a fixed income and those increases are outlandish and poor water services.

Please oppose this application on my behalf. I am planning on being present public hearing on May 29. Please feel free to contact me if you have any question or need more information.

Sincerely,

Joan Brown
