JOINT MOTION FOR EXTENSIONS OF TIME

NOW COME the North Carolina Justice Center (“NCJC”), Southern Alliance for Clean Energy (“SACE”), and the North Carolina Sustainable Energy Association (“NCSEA”)(NCJC, SACE, and NCSEA, collectively, “Movants”), by and through the undersigned counsel, pursuant to Rules R1-7 and R1-9 of the Rules and Regulations of the North Carolina Utilities Commission (“Commission”), and hereby move for the Commission to grant an extensions of fourteen (14) days to file initial comments responsive to the newly proposed pilot programs and fourteen (14) days for parties to file reply comments related to the proposed revised pilot programs. In support of this Joint Motion, the Movants show as follows:

1. On June 14, 2021, the Commission issued its *Order Requesting Comments on Proposed Revised Pilot Programs* (“Order Requesting Comments”).
2. In the Commission’s Order Requesting Comments, the Commission requested comments from parties responsive to the *Duke Energy Carolinas, LLC’s and Duke Energy Progress, LLC’s Joint Request for Approval of Phase II Electric Transportation Pilot Programs* (“Phase II Pilot Proposal”) filed on May 24, 2021 by Duke Energy Carolinas, LLC (“DEC”) and Duke Energy Progress, LLC (“DEP”) (DEC and DEP, collectively, “Duke”).

3. The Movants have been working diligently to prepare their initial comments, but, due to the press of business, need additional time. The additional 14 days would allow the parties in this docket to have extra time to carefully prepare initial comments.

4. Similarly, the Movants seek an additional 14 days to file reply comments. This extension will allow parties sufficient time to review initial comments and then draft and file their reply comments.

5. No party will be prejudiced by these extensions of time.

6. Counsel for the Movants have contacted counsel for all parties of record regarding this requested extension, and no party has advised that it objects to the proposed extensions of times to file initial and reply comments related to the Phase II Pilot Proposal.

WHEREFORE, the Movants respectfully request that the Commission issue an order extending the time to July 29, 2021 for all parties to file initial comments responsive to the Phase II Pilot Proposal and also extending the time to August 19, 2021 for all parties to file reply comments and for any other such relief as the Commission deems just and proper.

Respectfully submitted, this the 7th day of July, 2021.
