BY THE CHAIR: On February 24, 2020, the Commission issued an Order Accepting Public Staff Stipulation in Part, Accepting CIGFUR Stipulation, Deciding Contested Issues and Granting Partial Rate Increase (Rate Order) in the above-captioned dockets authorizing Virginia Electric and Power Company d/b/a Dominion Energy North Carolina (DENC or Company) to adjust its rates and charges for retail electric service in North Carolina.

On March 16, 2020, DENC filed a Motion for Extension of Time pursuant to N.C. Gen. Stat. § 62-90(a) requesting that the Commission extend the time within which to file notice of appeal and exceptions to the Commission's Rate Order from March 25, 2020 to April 24, 2020. In summary, DENC stated that it is considering its options as it works with the Public Staff to reach agreement on a revenue requirement and proposed rates commensurate with the Rate Order, and that the Company needs additional time to determine whether to appeal the Rate Order. In addition, DENC stated that all parties have been notified of the Company's request for an extension of time and that no party has responded with an objection to the request.

Based on DENC's motion and the record, the Chair finds good cause to grant the requested extension of time for all parties to this docket.

IT IS THEREFORE, ORDERED that all parties to this docket shall be, and the same are hereby, granted an extension of time until April 24, 2020, within which to file a notice of appeal and exceptions to the Commission's Rate Order.

ISSUED BY ORDER OF THE COMMISSION.

This the 17th day of March, 2020.
