Re: Docket No. E-7 Sub 1155 – Application of Duke Energy Carolinas, LLC, for Approval of Residential New Construction Program

Dear Ms. Fulmore:

On September 21, 2017, Duke Energy Carolinas, LLC (DEC) filed for approval of a new energy efficiency program, the Residential New Construction Program. On October 23, 2017, the Public Staff filed comments in this docket regarding the program. After the Public Staff filed its comments, the natural gas utilities raised concerns regarding the program. It is the understanding of the Public Staff that DEC has not been able to address the concerns of the natural gas utilities.

On June 7, 2019, DEC filed a motion to withdraw its application for approval of the program. The Public Staff does not object to the motion.

Sincerely,

Electronically submitted
