DOCKET NO. E-100, SUB 157

In the Matter of) NOTICE OF PUBLIC HEARING ON
2019 Integrated Resource Plan Update) 2019 IRP UPDATE REPORTS AND
Reports and Related 2019 REPS) RELATED 2019 REPS COMPLIANCE
Compliance Plans) PLANS

NOTICE IS HEREBY GIVEN that the North Carolina Utilities Commission (Commission) has scheduled a public hearing in conjunction with the Commission's review and evaluation of integrated resource planning (IRP) in North Carolina. The purpose of the review and evaluation is to ensure that each regulated electric utility operating in North Carolina is developing reliable projections of the long-range demands for electricity in its service area and is developing a combination of reliable resource options for meeting the anticipated demands in a cost-effective manner. IRP is intended to identify those electric resource options which can be obtained at least cost to ratepayers in North Carolina consistent with adequate, reliable electric service. IRP considers conservation, efficiency, load management and other demand-side program alternatives in the selection of resource options. Commission Rule R8-60 requires that each of the electric utilities furnish the Commission with a biennial report in even-numbered years that contains the specific information set out in that Commission Rule. In odd-numbered years, each of the electric utilities must file an update report updating its most recently filed biennial report. In addition, regulated electric utilities are required to include their plans for meeting customer electric needs via renewable energy resources and energy efficiency programs by submitting a Renewable Energy and Energy Efficiency Portfolio Standard compliance plan (REPS compliance plan) as part of the IRP filing.

During the public hearing to be held in this docket, the Commission will receive testimony from nonexpert public witnesses with respect to the most current IRP update reports and REPS compliance plans filed in 2019 by Duke Energy Progress, LLC; Duke Energy Carolinas, LLC; and Virginia Electric and Power Company, d/b/a Dominion Energy North Carolina. Public witness testimony will be received in accordance with Commission Rule R1-21(g).

Raleigh: 7:00 p.m., on Monday, March 9, 2020, in Commission Hearing Room 2115, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina.

Upon request, the Chief Clerk will place copies of the IRPs, compliance plans and any other documents filed in this proceeding in centrally-located public libraries where they may be copied without prohibition. Such a request may be made by writing to the Chief Clerk, North Carolina Utilities Commission, 4325 Mail Service Center, Raleigh, North Carolina 27699-4300, and providing the name and address of the library to which the information is to be mailed.
