**RE: Notice of Duke Energy Progress, LLC and Duke Energy Carolinas,
LLC's IRP Stakeholder Meeting
Docket No. E-100, Sub 165**

Dear Ms. Campbell:

Pursuant to Commission Rule R8-60(m), each utility is required to hold a meeting with interested parties annually, by November 30, to review its biennial or updated Integrated Resource Plan ("IRP"). I write to notify the Commission that Duke Energy Progress, LLC and Duke Energy Carolinas, LLC (the "Companies") have scheduled the annual stakeholder meeting to review their 2020 IRPs as a virtual meeting on Friday, September 18, 2020 from 9:00 a.m. to noon. The intent of scheduling this stakeholder session earlier than in past years is to share context for new elements provided in the 2020 IRPs.

The Companies sent instructions for participation in the virtual format via email to all stakeholders who have previously participated in the Companies' IRP stakeholder engagement process. To maximize use of the time, the Companies have asked stakeholders to provide questions in advance. For stakeholders who have questions regarding virtual participation at this event, I ask that they please contact **IRP-Engagement@Duke-Energy.com**.

Thank you for your attention to this matter. If you have any questions, please let me know.

Sincerely,

Lawrence B. Somers
