Re: Docket No. EMP-108, Sub 0
American Beech Solar LLC's Application for a Certificate of Public Convenience and
Necessity to Construct a Merchant Plant and Registration as a New Renewable Energy
Facility

Dear Ms. Campbell:

Applicant American Beech Solar LLC ("American Beech") writes in response to the Public Staff's *Motion for Leave to File Second Supplemental Testimony* and the *Second Supplemental Testimony of Jay B. Lucas* ("Second Supplemental Testimony"), filed in this docket on November 17, 2020. In his Second Supplemental Testimony, Public Staff witness Lucas recommends approval of American Beech's CPCN application, subject to four conditions enumerated in his testimony. Second Supplemental Testimony at 12-14.

American Beech has reviewed the Public Staff's Second Supplemental Testimony and does not intend to file further testimony in response. American Beech also would not object to the issuance of its CPCN subject to the conditions recommended in Mr. Lucas's testimony.

Very truly yours,

Benjamin L. Snowden
