BY THE COMMISSION: On June 19, 2018, in the above-captioned docket, the Commission issued an Order Approving Appendix F and Establishing Pilot Program (Appendix F Order). In summary, the Appendix F Order conditionally approved the guidelines proposed by Piedmont Natural Gas Company, Inc. (Piedmont) for Piedmont's acceptance of Alternative Gas onto its system, and Piedmont's delivery or redelivery of Alternative Gas to its customers. In addition, the Commission directed Piedmont to file within 60 days a revised version of Appendix F that complied with the requirements of the Appendix F Order, and to provide other information requested by the Commission.

On August 20, 2018, Piedmont made its compliance filing in response to the Appendix F Order.

On October 30, 2018, the Commission issued an Order Accepting Compliance Filing in Part and Requiring Revisions (Compliance Order). The Compliance Order accepted several revisions made by Piedmont to Appendix F, but also required Piedmont to clarify or further revise some of its revisions.

On November 29, 2018, Piedmont made a Further Compliance Filing in response to the Commission's Compliance Order. Based on Piedmont's filing and the record, the Commission finds good cause to accept the Appendix F clarifications and revisions made by Piedmont in its Further Compliance Filing.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 11<sup>th</sup> day of January, 2019.
