UTILITIES COMMISSION
RALEIGH**

DOCKET NO. E-2, SUB 1197
DOCKET NO. E-7, SUB 1195

In the Matter of
Application by Duke Energy Carolinas,)
LLC and Duke Energy Progress, LLC) ORDER GRANTING FURTHER
for Approval of Proposed Electric) EXTENSION OF TIME TO FILE
Transportation Pilot) REPLY COMMENTS
)

BY THE CHAIR: On June 14, 2021, the Commission issued an order in the above-captioned dockets requesting that parties file comments on the Phase II Electric Transportation Pilot Programs (Phase II Pilots), proposed by Duke Energy Carolinas, LLC, and Duke Energy Progress, LLC (collectively Duke). Numerous parties filed initial comments, and reply comments are presently due on or before August 19, 2021.

On August 17, 2021, Duke filed a motion requesting that the Commission extend the due date for reply comments to September 13, 2021. In summary, Duke stated that it has been working diligently to review the numerous initial comments on the Phase II Pilots and that an extension of time would assist all parties to complete their review and address the issues raised in the initial comments. In addition, Duke opined that the additional time would allow Duke to discuss issues that have been raised in the initial comments with certain parties to achieve a better understanding of the parties' positions. Moreover, Duke stated that the requested extension will not result in prejudice to any party, and that Duke contacted counsel for all parties of record regarding this requested extension, and no party has advised Duke that it objects.

Based on the foregoing and the record in these dockets, the Chair finds good cause to extend the date for parties to file reply comments to September 13, 2021.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 18th day of August, 2021.
