BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of  
2020 Biennial Integrated Resource Plans and     ) ORDER GRANTING EXTENSION  
Related 2020 REPS Compliance Plans             ) OF TIME

BY THE PRESIDING COMMISSIONER: On February 26, 2021, in response to a motion by the North Carolina Attorney General's Office, the Commission issued an Order Granting Second Extension of Time in the above-captioned docket. The Order extended the date for parties to file initial comments on the integrated resource plans (IRPs), of Virginia Electric and Power Company d/b/a Dominion Energy North Carolina, Duke Energy Carolinas, LLC, and Duke Energy Progress, LLC, to March 1, 2021, and extended the date for parties to file reply comments to April 30, 2021.

On April 16, 2021, Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (collectively the Companies), filed a motion requesting that the above date for reply comments be extended to May 14, 2021. The Companies stated that intervenor comments and exhibits number approximately 2600 pages, and that they are working diligently to evaluate the comments and exhibits. Further, the Companies stated that they served discovery requests on several intervenors regarding intervenors' initial comments, and they need additional time to receive responses to the discovery requests and prepare reply comments. Finally, the Companies stated that no other parties have responded with an objection to their request for an extension of time.

Based on the record and the Companies' motion, the Presiding Commissioner finds good cause to extend the date for parties to file reply comments to May 14, 2021.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 19th day of April, 2021.
