Program Pursuant to N.C. Gen. Stat. §)
62-155(f))

NCSEA’S MOTION FOR EXTENSION OF TIME

NOW COMES the North Carolina Sustainable Energy Association (“NCSEA”) pursuant to Commission Rule R1-7 and move the North Carolina Utilities Commission (“Commission”) for a three-day extension of time through and including Friday, December 4, 2020, for parties to file initial comments as outlined in the Commission’s *Order Modifying Fourth Year of Solar Rebate Program and Requesting Additional Comments* (“Rebate Order”) in the above-captioned docket.

In support of its Motion, NCSEA shows the Commission as follows:

1. The Commission’s Rebate Order stated in ordering paragraphs 9 and 10:

9. That on or before December 1, 2020, all parties may file initial comments addressing appropriate modifications to the current incentive amounts as directed by this Order, including a tiered rebate program as discussed herein;

10. That Duke shall include in its initial comments and in its future annual program reports detailed information regarding the characteristics of residential, commercial, and nonprofit installations receiving rebates, including but not limited to the distribution and average capacity of applications and installations for each customer group[.]

2. NCSEA is working diligently on its comments, but the press of other business and the Thanksgiving holiday have combined to result in a need for additional

time to communicate with NCSEA's members on their needs and to finalize NCSEA's initial comments on this matter.

3. For the foregoing reason, NCSEA requests a three-day extension of time for parties to file initial comments. The undersigned counsel has contacted counsel for all parties of record regarding this motion via telephone and/or electronic mail, and none object to this motion.

WHEREFORE, NCSEA respectfully requests that the Commission grant this Motion for a three-day extension of time through and including Friday, December 4, 2020 for parties to file initial comments as requested in the Rebate Order and for such other and further relief as the Commission deems just and proper.

Respectfully submitted, this the 20th day of November, 2020.
